Swedish / Native

English / Fluent

PROFILE

I am a curious and creative person who loves to express myself through color, form, and movement. With an education as a Technical Artist, I have built a strong foundation in game development, where I became particularly passionate about visual effects and how small details can make a big difference in a gaming experience. I enjoy working in teams where collaboration and feedback are a natural part of the development process. I also have previous training and experience as a hairdresser/stylist, so if we need to cut some scope, we can at least do it in style!

EDUCATION

The Game Assembly

Aug 2024 - Current

During the education I worked on 3D graphics and programming, as well as programs like Unreal and Houdini. Throughout the year, we worked with other disciplines to create games in our custom engine.

Style Education

Aug 2017- June 2020

A 3-year education in Digital Design and Media Production. The program resulted in strong knowledge in photography, illustrations digital media management, Adobe Suite, moodboards, and more.

Drottning Blankas gymnasieskola

Aug 2017- June 2020

A 3-year education in Digital Design and Media Production. The program resulted in strong knowledge in photography, illustrations and the Adobe Suite etc.

EXPERIENCE

Kola Production

Jan 2018 - Aug 2021

Assisted during photo and film projects, as well as in post-retouching of images and videos. During this work, I developed my skills in photography, color, design, and digital software.

Preston Hair

Okt- 2021 - Mars 2023

A five-star hair salon in Stockholm where, together with my team, I styled for events such as the Nobel Dinner, Elle Gala, and Guldbaggen, as well as participated in marketing campaigns for Storytel.

Holy Hair

April- 2024 - Aug 2024

During my time at Holy Hair, I primarily worked as site manager with a focus on providing high-quality service. The role combined customer service, teamwork, and responsibility.
